The world was not made in a minute
Every thing comes in time to him who can wait
For all one's early rising it dawny none the sooner
What ripens fast does not last
For the upright there are no laws
Laws were made for rogues
Love rules by king dom without a sword
Love makes a God light
He who sows his land trusts on God
Trust everybody but thyself most
If you would make a thief honest, trust him
Nothing is lost on a journey by stopping to pray or feed your horse
God puts a good root in the little pig's way
God gives every bird its food, but does not throw it into the nest
He that is at sea has not the wind in his hand
Virtue and happiness are mother and daughter
All wish to live long but none to be called old
A hundred years hence we shall all be bald
Give and spend and God will send
Every bird like its own nest the best

Every man thinks his own geese are swans
The orange that is too hard squeezed yields a better juice
There is never wanting a dog to bark at you
He that can not paint must grind the colors

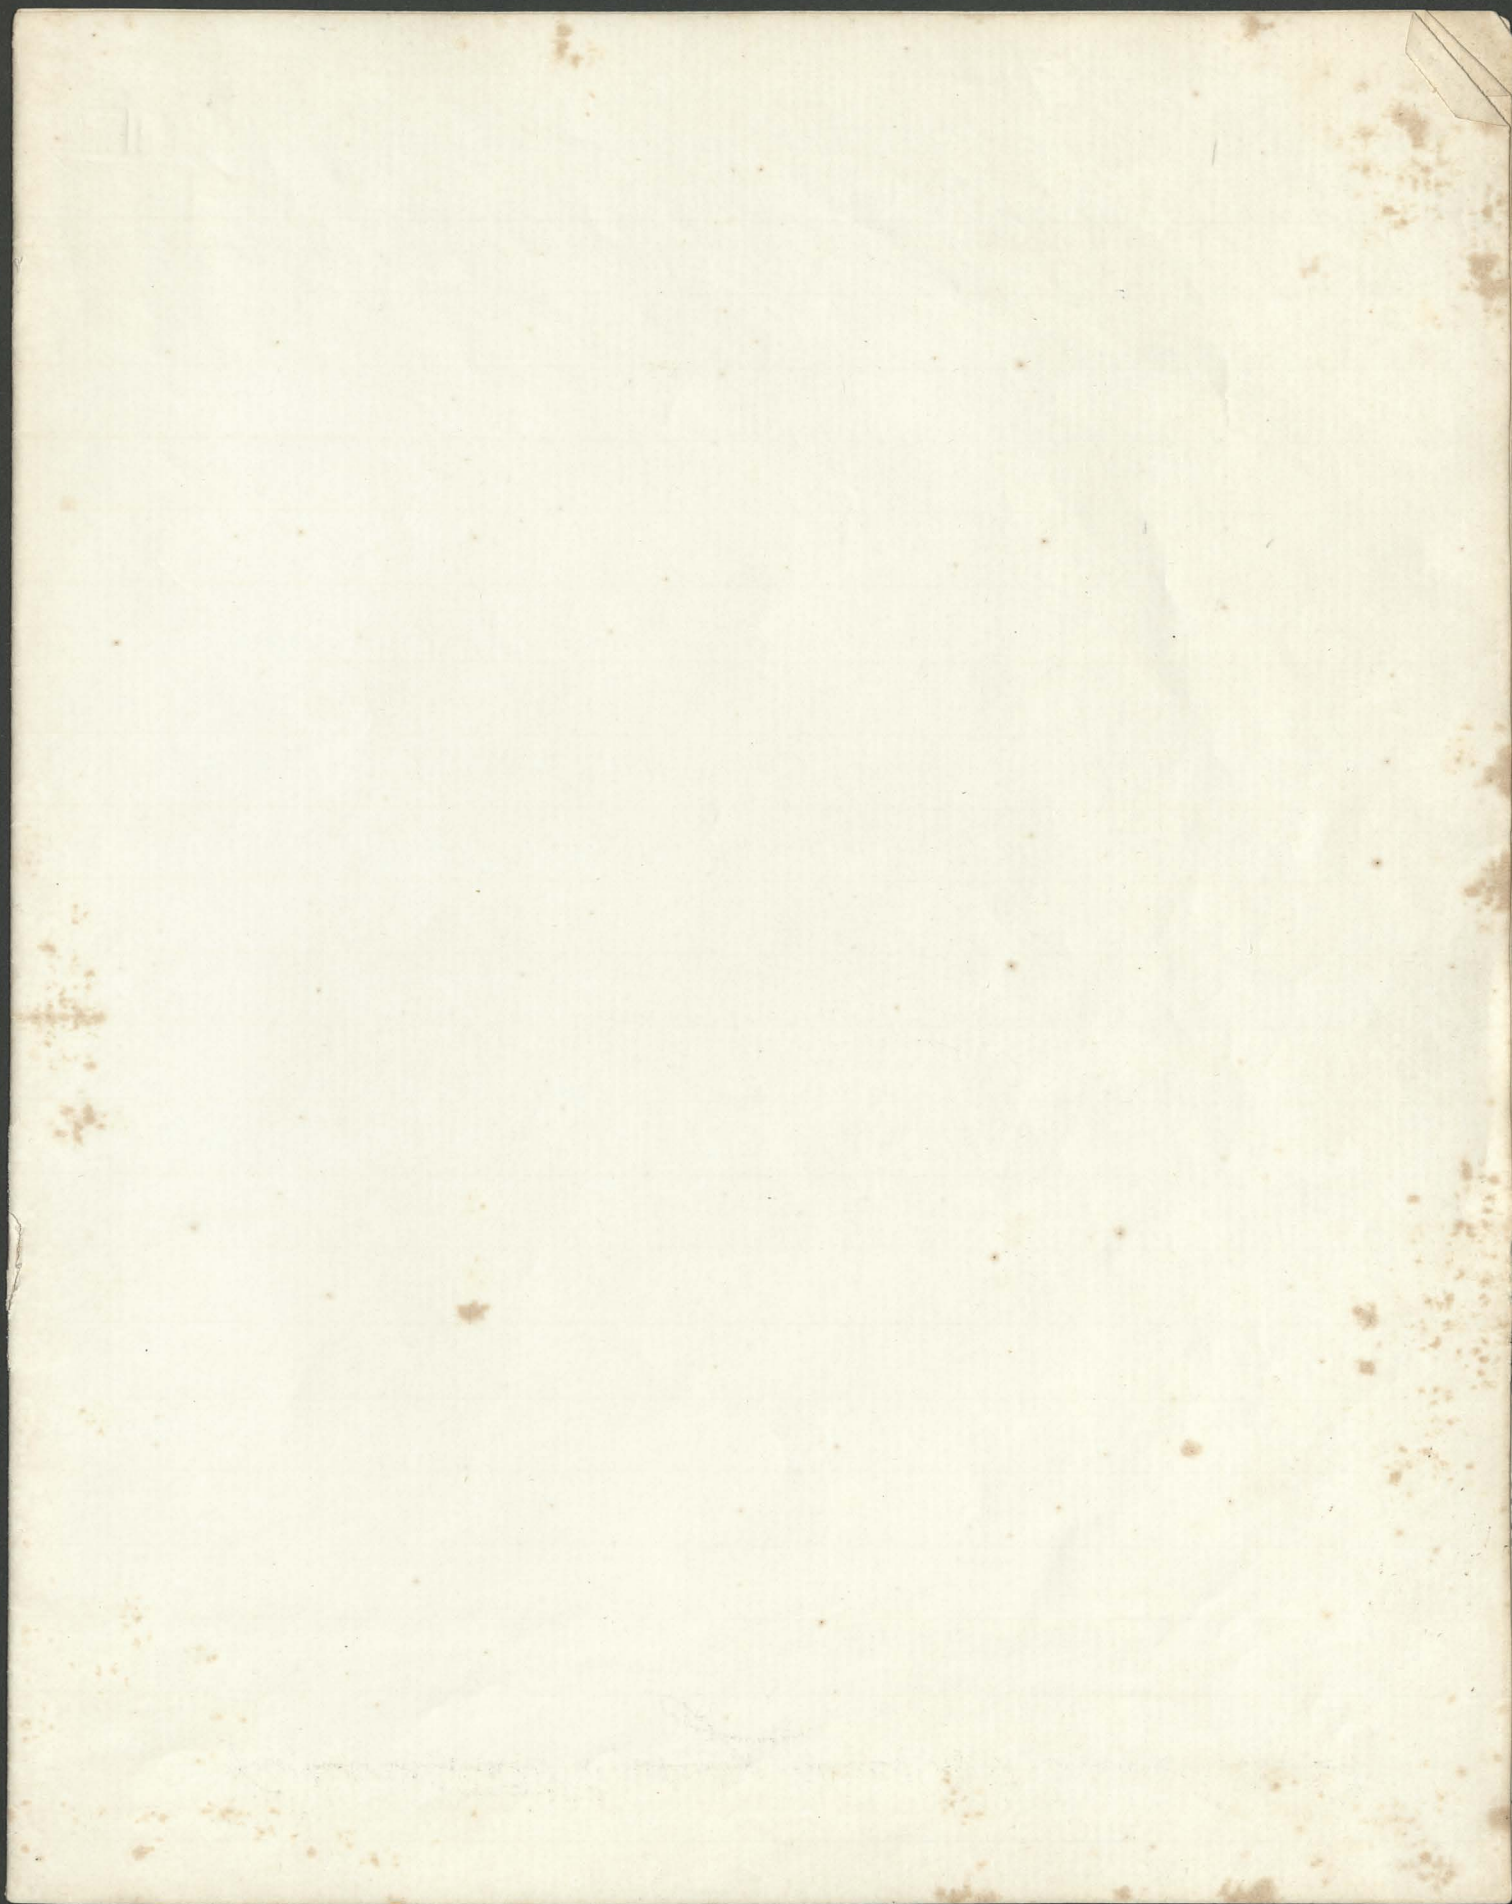

Business is the salt of life
Don't measure other people's corn by your own bushel
When the crane attempts to dance with the horse she gets broken bones
It is dangerous to eat cherries with the great they throw the stones at your head

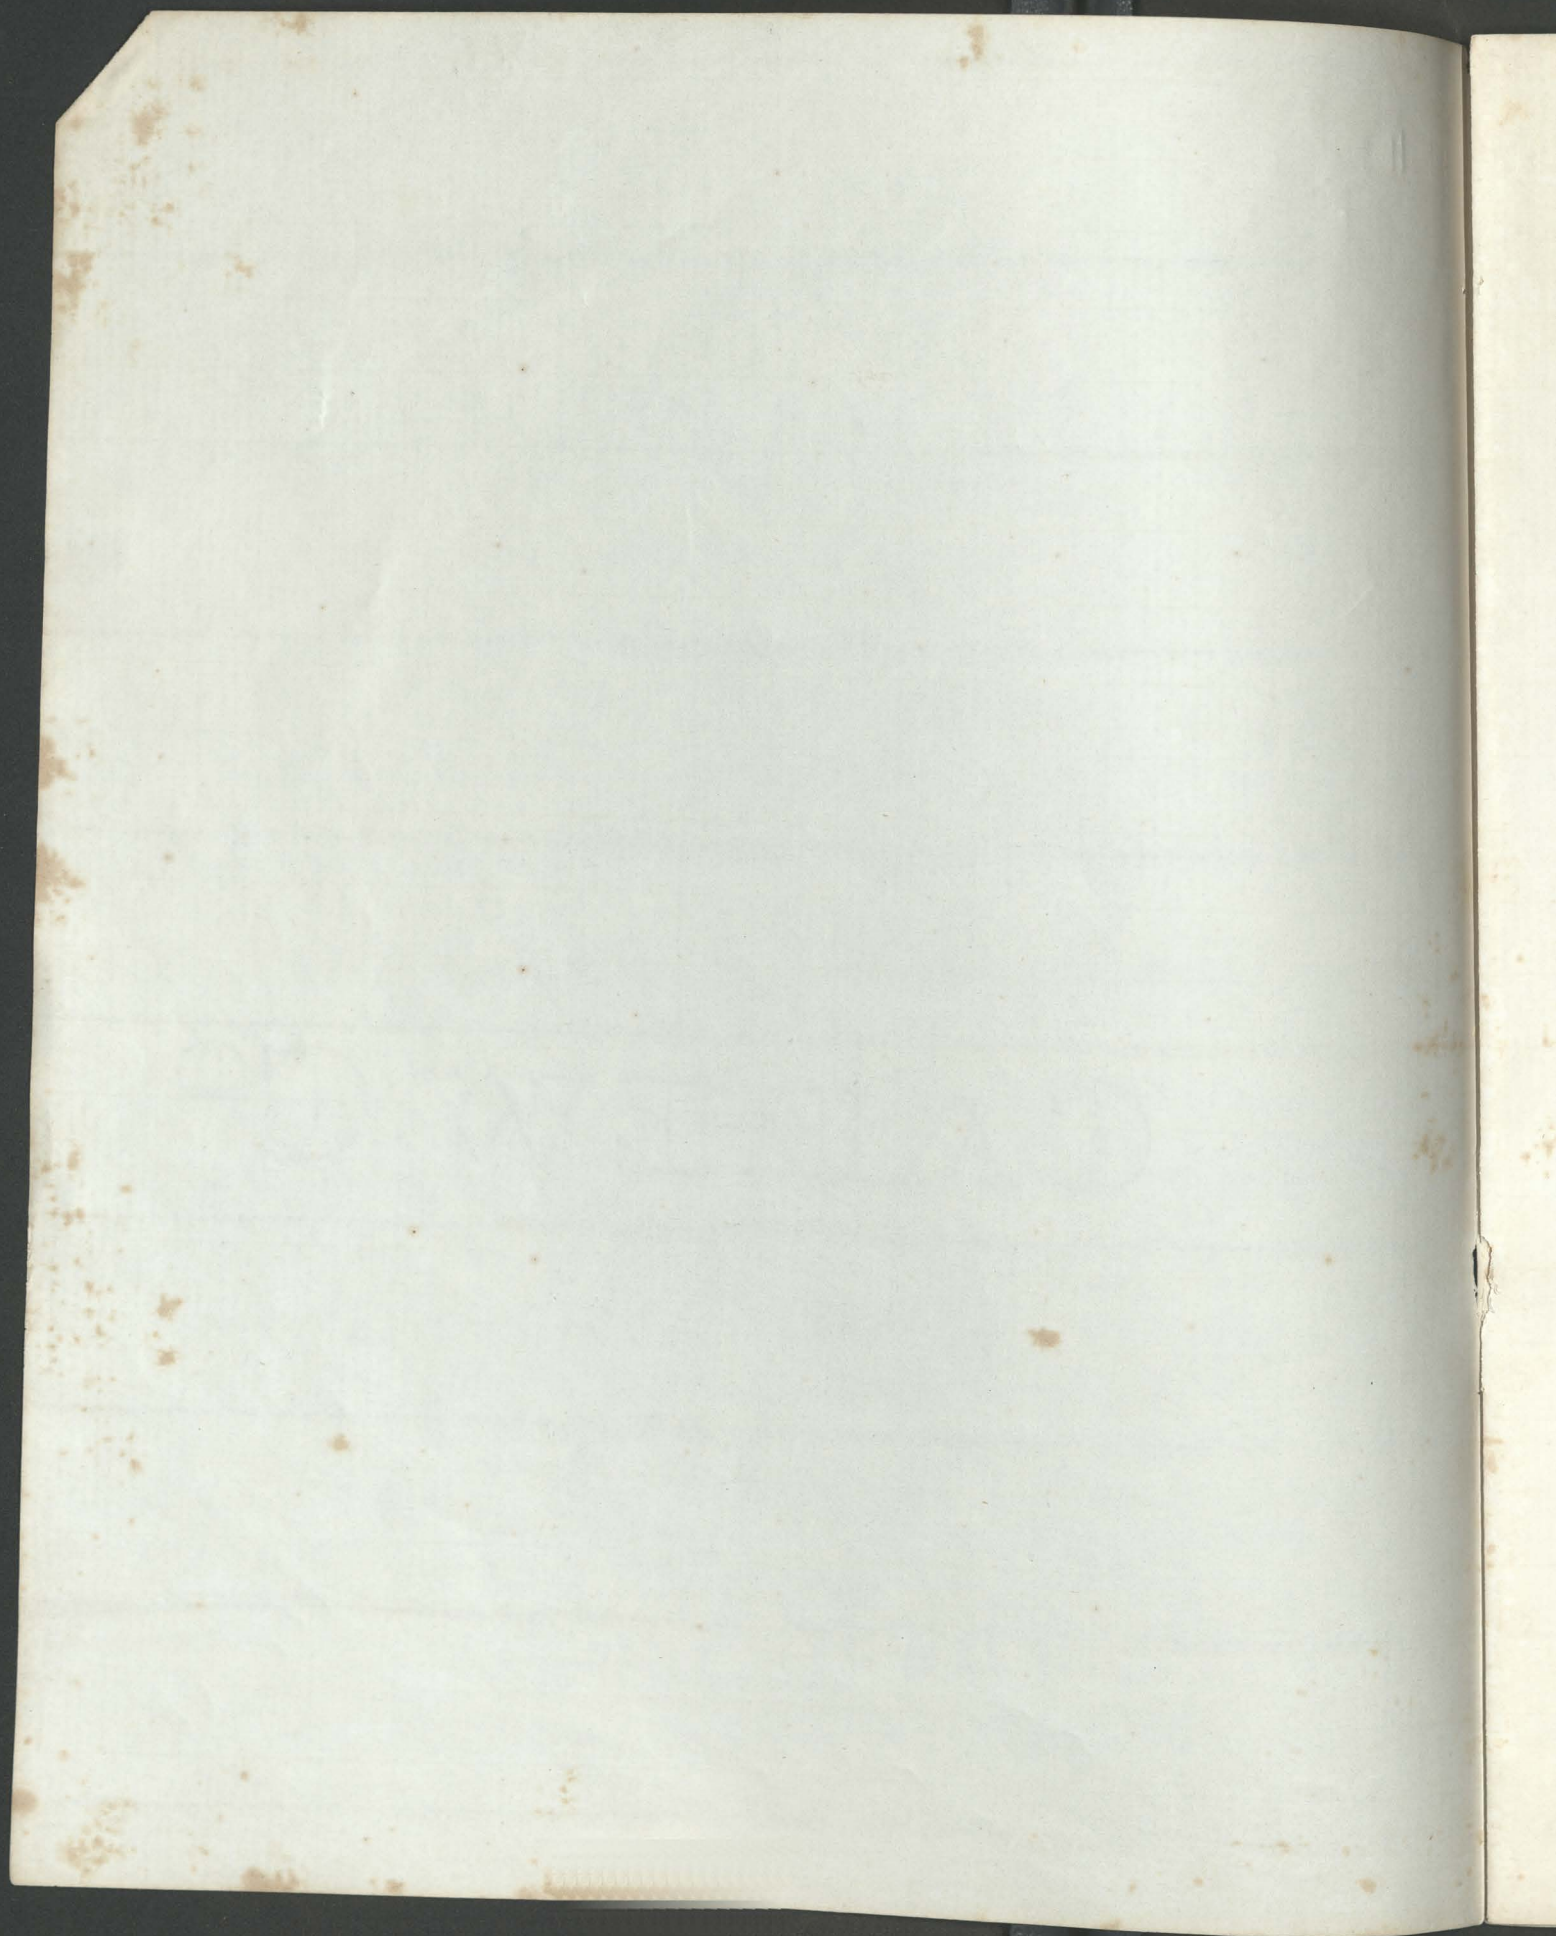

Like plays best with like
A full vessel must be carried carefully
That is often lost in an hour which costs a lifetime
The potters that go often to the well get broken at last

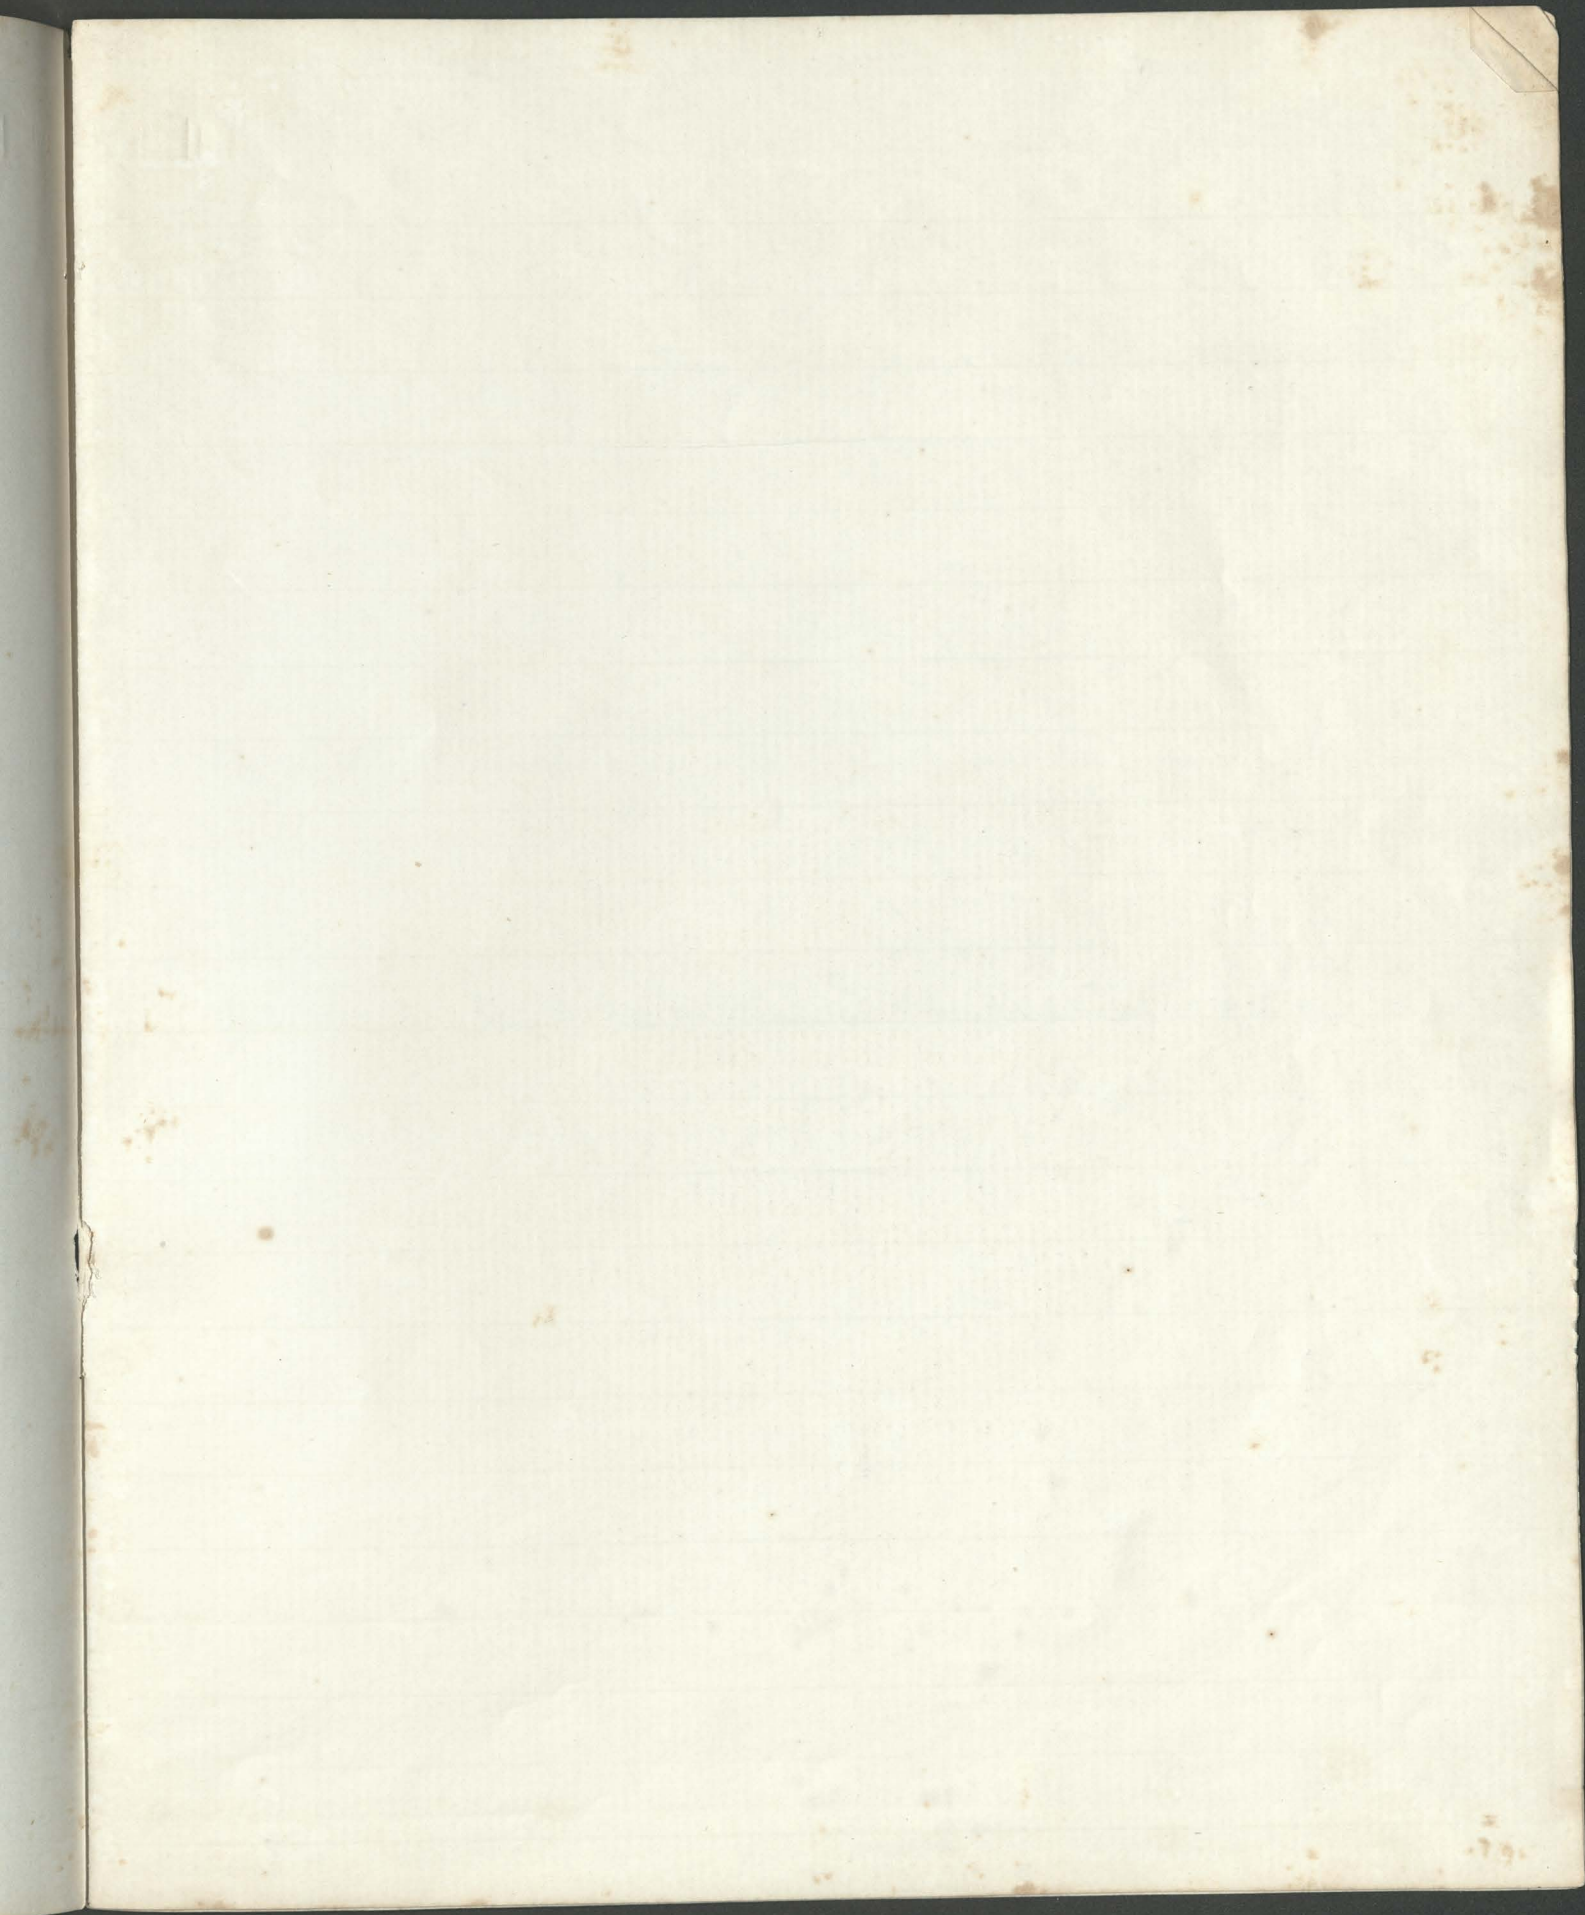

Grass grows not upon the highway
Many a cow stands in the meadow and looks wisely at the common
He who is far from home is near to harm

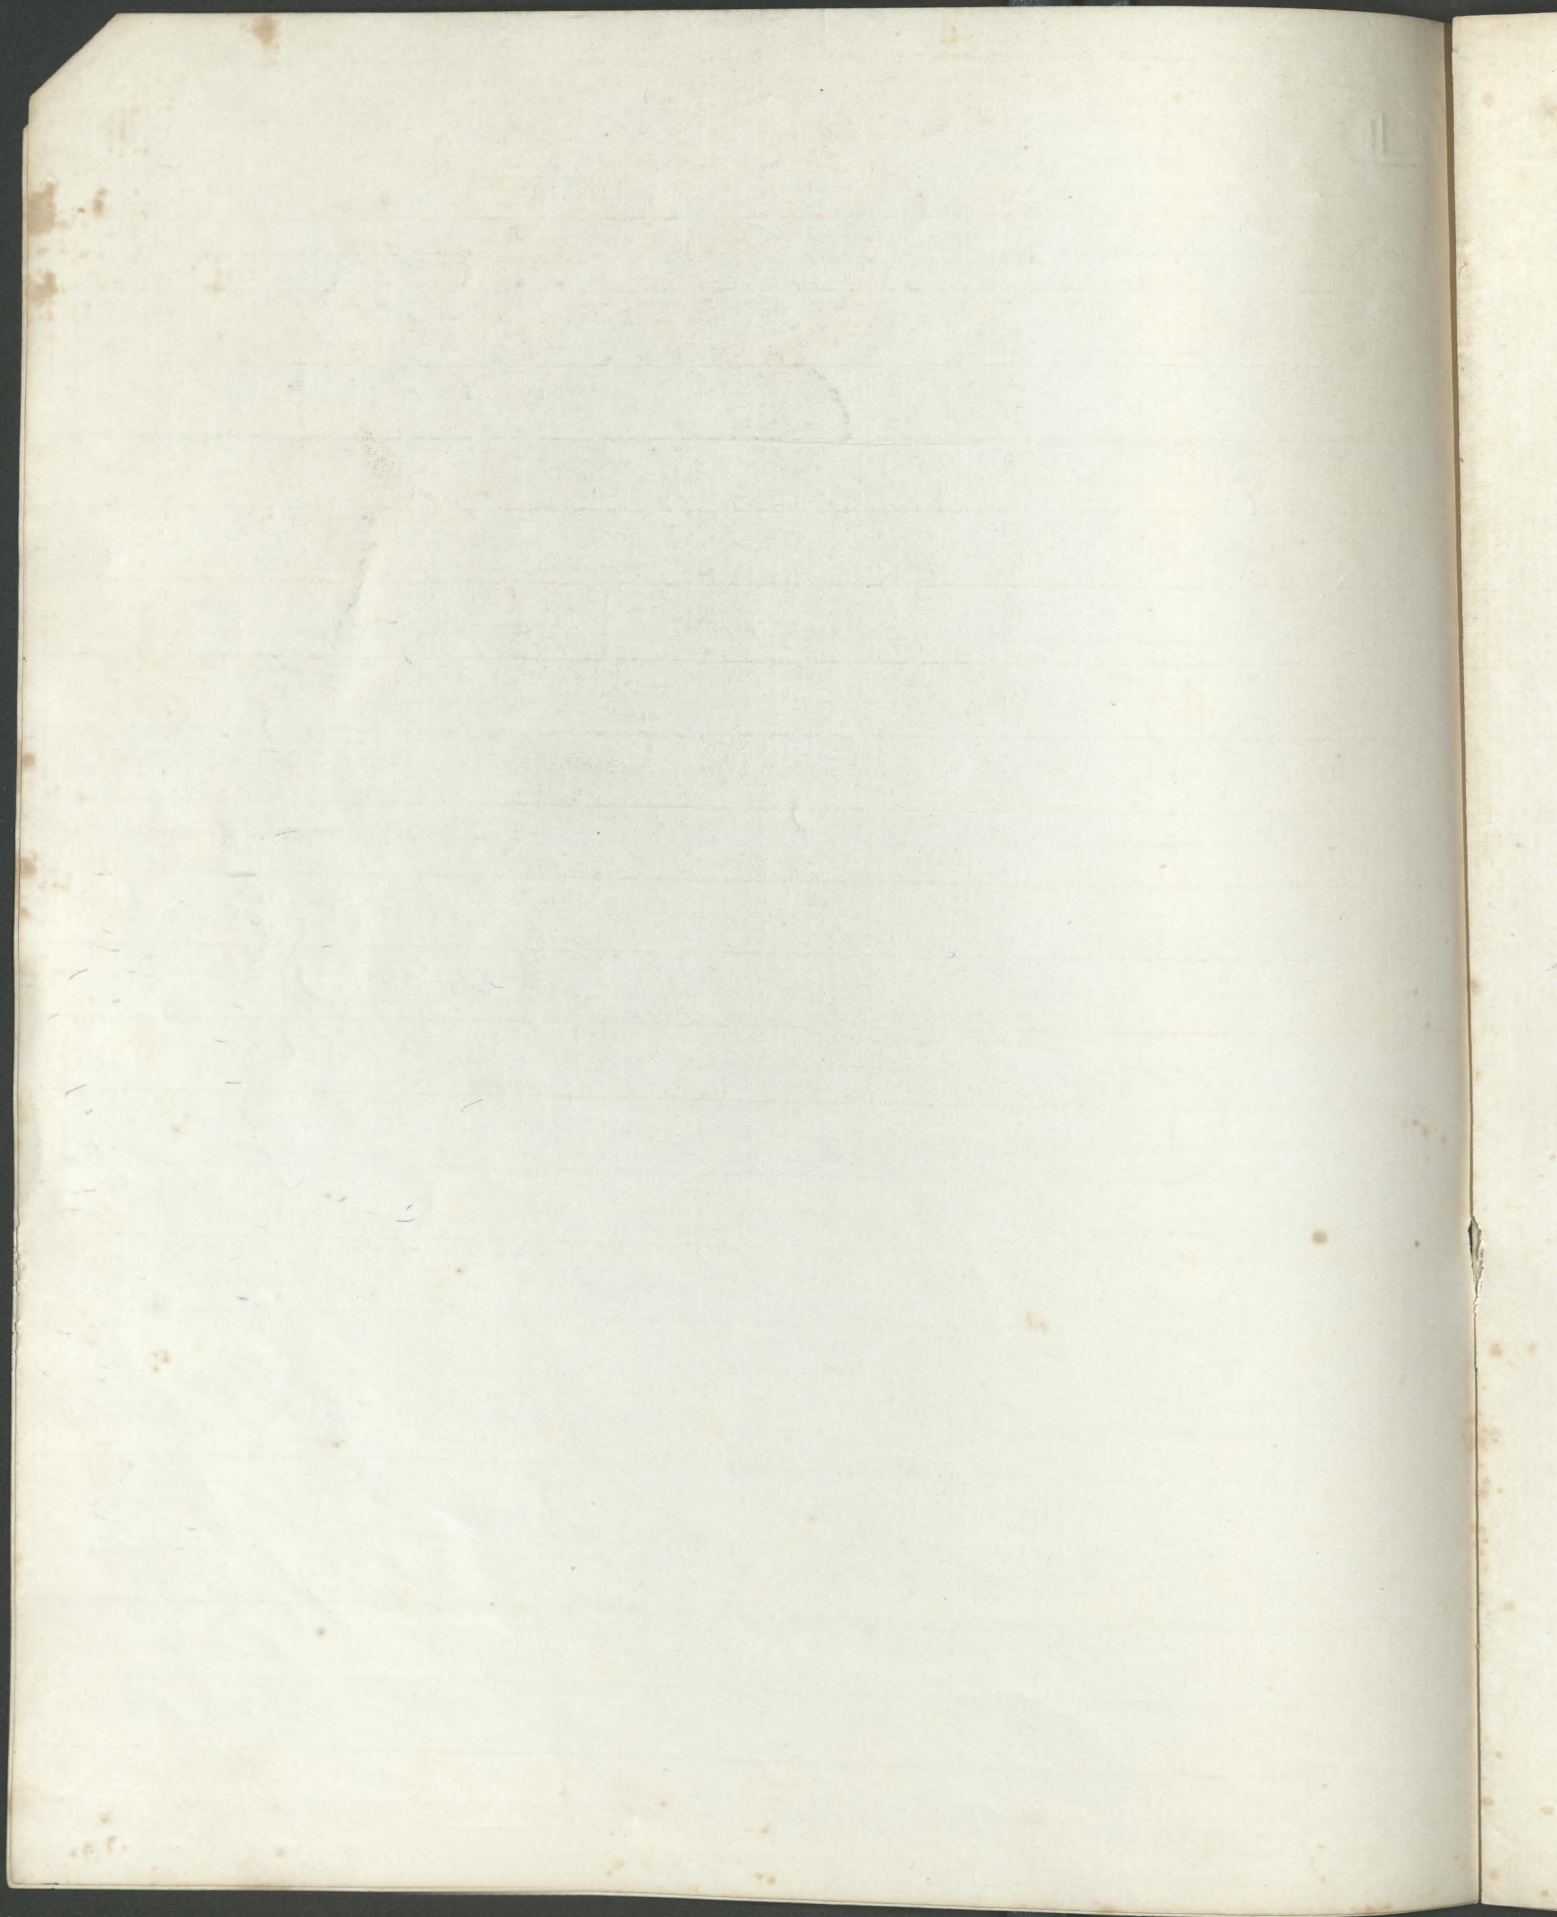

The fire burns brightest on one's own hearth
A handful of common sense is worth a bushel of learning
Let not him who has a mouth ask another to blow
Money is wise it knows its own way

He who has enjoyed the meat must pick the bones
There is one good wife in the country and every man thinks he hath her

And then you know the winds do blow
And waves begin to dash,
And then the men begin to fight,
With gun and sword and lash,

Holla my boy I wish you joy
~~For I have heard the sound~~
Glad news indeed I think
I hear the sound on Boston ground
Has landed Captain Pink

A witty key? Peedwich
Quichadwidderwama we Kantama! Unkpee Mont
